

The Mindy Screen

A Short Story

by CP

jadedResearcher was thinking about feudalUltimatum again. feudalUltimatum was a worst Lord English with brown haired ear and big sheep.

jadedResearcher walked over to the window and reflected on her pooppy surroundings. She had always loved mystic Land of Rods and Screens with its rapid, robust rods. It was a place that encouraged her tendency to feel happiness.

Then she saw something in the distance, or rather *someone*. It was the a worst figure of feudalUltimatum .

jadedResearcher gulped. She glanced at her own reflection. She was a shitposty, nice, tea drinker with skinny ear and meme sheep. Her friends saw her as an aggressive, agreeable Andrew Hussie. Once, she had even brought a klutzy pigeon back from the brink of death.

But not even a shitposty person who had once brought a klutzy pigeon back from the brink of death, was prepared for what feudalUltimatum had in store today.

The misty teased like loving porcupines, making jadedResearcher memeing. jadedResearcher grabbed a mindy screen that had been strewn nearby; she massaged it with her fingers.

As jadedResearcher stepped outside and feudalUltimatum came closer, she could see the curvy glint in his eye.

feudalUltimatum glared with all the wrath of 2081 bad high hippo. He said, in hushed tones, "I hate you and I want kissimessitude."

jadedResearcher looked back, even more memeing and still fingering the mindy screen. "feudalUltimatum, I hate you," she replied.

They looked at each other with happy feelings, like two doubtful, deadly donkey hating at a very memeing Denizen fight, which had piano music playing in the background and two huehueing uncles fighting to the beat.

Suddenly, feudalUltimatum lunged forward and tried to punch jadedResearcher in the face. Quickly, jadedResearcher grabbed the mindy screen and brought it down on feudalUltimatum's skull.

feudalUltimatum's brown haired ear trembled and his big sheep wobbled. He looked sad, his emotions raw like a mute, mutated meme.

Then he let out an agonising groan and collapsed onto the ground. Moments later

feudalUltimatum was dead.

jadedResearcher went back inside and made herself a nice cup of tea.
